About Us

AUM Maritime, a Group Company of Kalash Global Logistics, is an emerging NVOCC operator based in India. We operate a dedicated fleet comprising ISO tanks, reefers, dry containers, and special equipment, enabling us to efficiently handle a wide range of cargo needs. Our operations are seamlessly integrated through and from India, providing robust logistical support.

Operational Focus

Our key sectors include the Middle East, Far East, China, the Red Sea, and the Indian Sub-Continent, with strategic links to major ports in Europe, the USA. We stand out for our flexibility and reliability, leveraging a global agency network to provide tailored solutions that meet each client's unique needs.

Vision

To revolutionize maritime logistics as a global leader, renowned for delivering reliable, flexible, and customer-focused logistics solutions.

Values

- **Customer Satisfaction:** Client-centric solutions with a focus on needs.
- **Efficiency:** High standards, competent results, every time.
- **Teamwork:** Collaboration and shared success drive us.
- **Integrity:** Honesty and transparency in all we do.
- **Innovation:** Embracing change to meet evolving market demands.

Mission

Our mission is to deliver seamless logistics services by leveraging our fleet, global network, and industry expertise. We are dedicated to provide tailored solutions, fostering strategic partnerships, and consistently delivering superior service to meet the evolving needs of our clients.

SERVICES

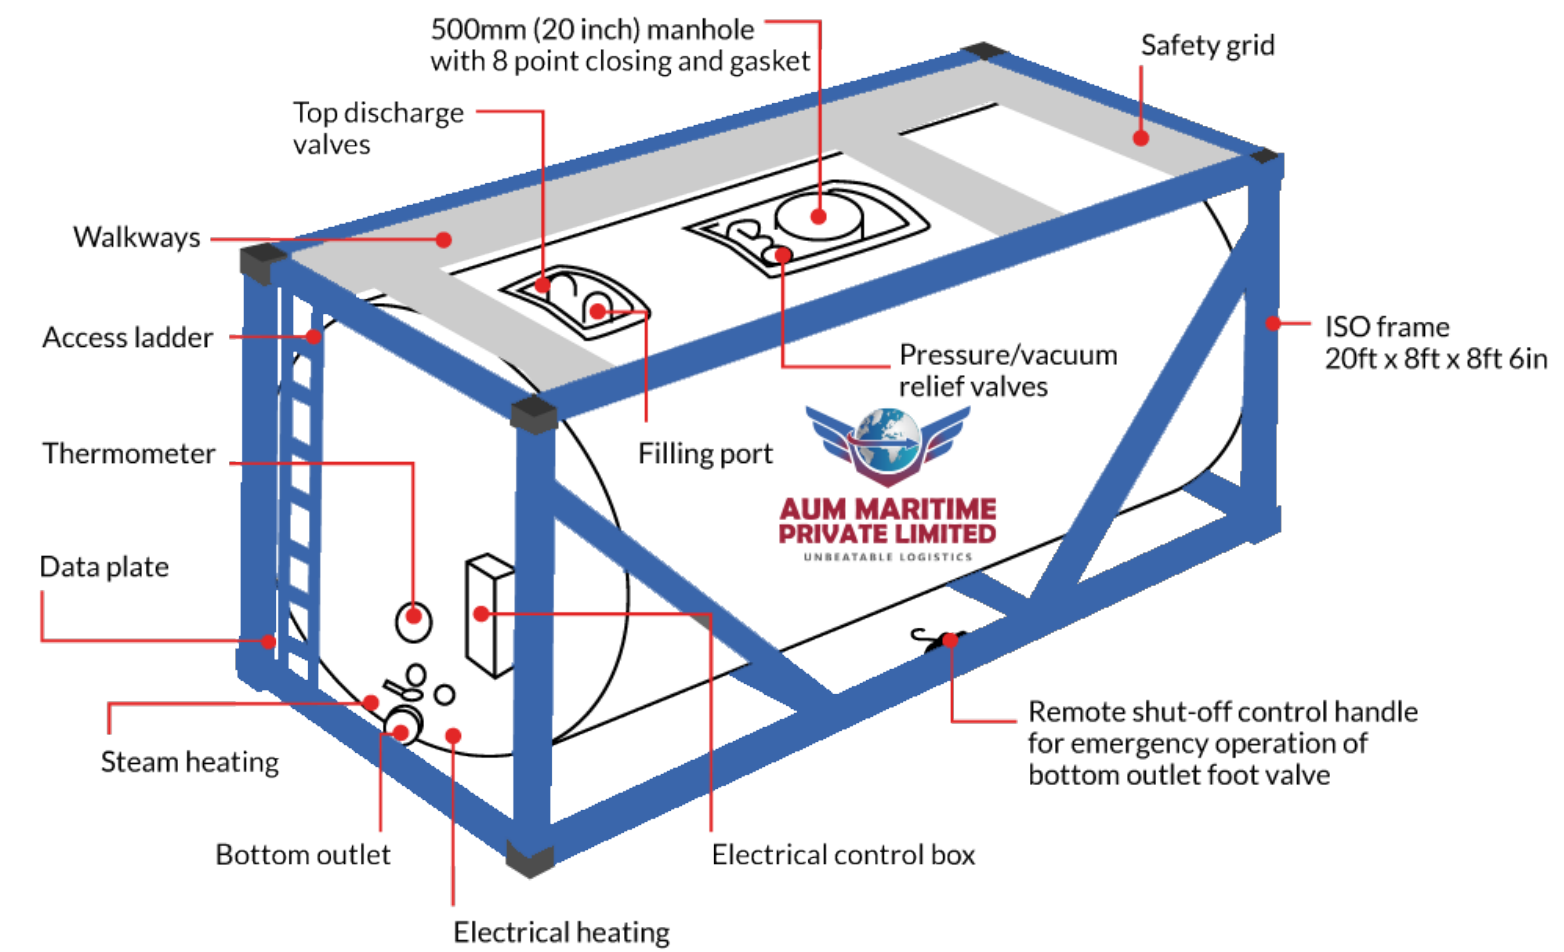

ISO Tanks / Dry Containers

AUM Maritime specializes in ISO tank operations, ensuring safe and efficient transport of bulk liquid cargo. Our fleet handles chemicals, food-grade products, and hazardous materials while meeting the highest safety standards.

Key Highlights:

- **Tank Specs:** Built to international standards for durability, safety, and compliance.
- **ISO vs. Flexi:** Safer, more reliable, with better temperature control and lower contamination risk.
- **Our Services:** Complete tank management, regular maintenance, and 24/7 support.

AUM Maritime provides efficient and reliable dry container services, facilitating global shipping for a wide range of goods. Our containers are designed for secure transport and seamless integration with shipping processes worldwide.

Key Highlights:

- **Container Specs:** Standard & specialized containers for secure, compliant shipping.
- **Global Shipping:** Seamless transport across key trade routes with competitive rates.
- **End-to-End Support:** Complete assistance from loading to delivery.

Dry Container Operations

Freight Forwarding

AUM Maritime offers expert freight forwarding services for both sea and air shipments, ensuring your cargo reaches its destination on time and within budget.

Key Highlights:

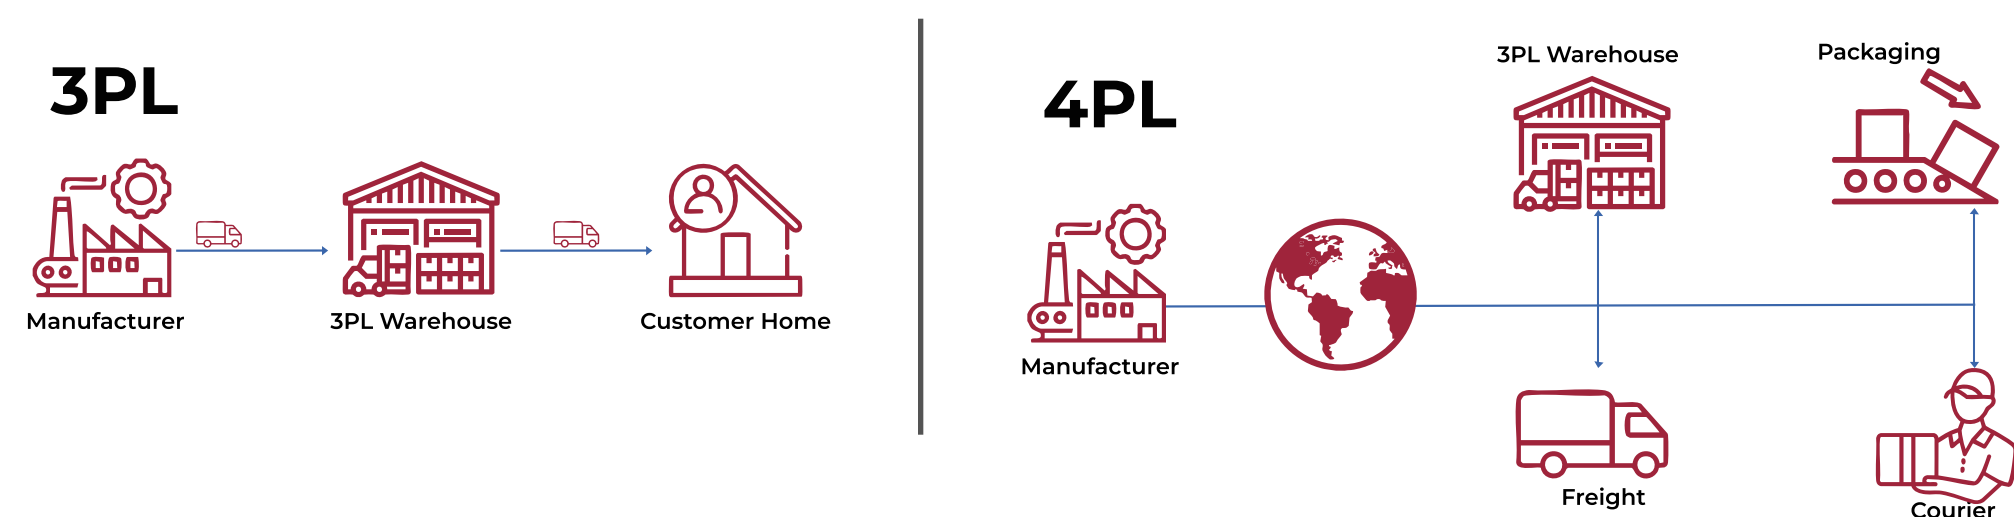

- **Global Network:** Strong carrier partnerships for cost-effective, efficient shipping.
- **End-to-End Solutions:** Complete shipment management from booking to delivery.
- **Tailored Freight:** Customized FCL, LCL, and air freight solutions.

AUM Maritime provides end-to-end logistics solutions, seamlessly managing every aspect of the import and export process.

We provide customized solutions to streamline your supply chain.

Key Highlights:

- **Import & Export:** Seamless, step-by-step logistics from customs to delivery.
- **3PL/4PL Services:** Scalable logistics solutions for optimized supply chains and cost efficiency.

- **Warehousing & Multimodal:** Secure storage & seamless transport solutions.
- **Custom Clearance:** Fast, compliant processing to avoid delays.
- **Insurance:** Comprehensive coverage for cargo protection.

Container Trading

AUM Maritime provides container trading services, offering a wide variety of containers for sale or lease to meet the diverse needs of businesses worldwide.

Key Highlights:

- **Specialized Equipment:** We offer an array of container types, including dry containers, reefers, ISO tanks, and special equipment, available for purchase, sale, or leasing.
- **Global Reach:** Our extensive network ensures that you can access the right containers, when and where you need them, facilitating smooth and cost-effective trade.
- **Reliable Services:** Our experience and industry expertise ensure that our container trading services are reliable, efficient, and tailored to your specific logistics requirements.
